It is further said from the official records that Wallace is the sevcontinuous that wallace is the several part of the an soldiers in the Tampico district.

Implediately on receipt of the Gonzales, the state department ordered investigation and further report on the desirate.

Investigation and report on the new phases of the Jenkins case, raised in the Mexican note refueling to meet this government's demand for the consular agent's immediate release, already had been ordered.

The whole effect of the day's developments was to put the Mexican situation, already acknowledged bad-into the worst light of probably more than a year.

No far the situation has been handled almost entirely by the cabinet under the guidance of Secretary Lansing, President Wilson, who hitherto has handled the Mexican crises personally has been unable, because of his illness to take active charge of it.

# Who Is Responsible for Smashing the Treaty?

Jubilation reigned in some quarters when the Senate's emphatic rejection of the Treaty of Versailles came as a climax of one of the most bitterly fought political battles in our history. It may have been a victory, and the destroyers of the Treaty of the League of Nations "may exult in their triumph," but, retorts the Springfield Republican (Ind.)' "they will go into history having constructed nothing and selfishly leaving the world to its darkness and woe." Opposing this view, the New York Sun declares that "there never was anything more wrong, more ridiculous, more preposterous, than to maintain that the war was going on and must go on until the United States Senate and the American people consented to swallow Mr. Wilson's pernicious League of Nations." In fixing the responsibility, the pro-League Rochester Times-Union (Ind.) says that "the United States Senate under the bankrupt leadership of Senator Henry Cabot Lodge has killed the Peace Treaty." But Republican papers like the Philadelphia North American and New York Tribune lay the responsibility for the failure of the Treaty at the President's own door, in effect charging him with "in-

Under the heading "The Rejection of The Treaty" THE LITERARY DIGEST, this week-November 29th, prints as its leading article a summary of public opinion in the United States as expressed in newspapers of all shades of opinion. The article covers every phase of the controversy over the Treaty and makes very clear how the country regards the Senate's action.
